Thanks David...I have copied only a fraction of the staff involved with this response but all of us are very appreciative of the 'thumbs up'.

Carl,

A quick note of appreciation to the entire team responding to the tragedy in West. TCEQ Chairman Shaw had nothing but positive words for the team work and support for our emergency response managers and staff. The briefing for Ron was spot-on after the tour. We even stayed for the evening response brief. Excellent work by all!
